

The Joy of Watercolors – Tuesday, January 19, 7:00 pm, via Zoom

In this one-hour 101 class (that is open to all ages and skill levels), watercolor techniques will be demonstrated. These techniques can be used to create realistic or abstract art including landscapes, portraits, or surreal worlds. While the instructor's focus is abstraction, the techniques can be used for any style and participants are welcome to work on their own paintings throughout the class. Meagan Meehan will present. Ms. Meehan is a Westbury Arts member/instructor. Please view the PDF file for the materials.
