Policies and Procedures

## **COMPUTER LAB AND WIRELESS INTERNET POLICY**

- Users must comply with United States copyright and all other State and Federal laws.
- Users must comply with the Library's applicable rules, procedures and Policy on Library Conduct. The Library reserves the right to remove the privileges of anyone who does not follow these rules, procedures and Policy on Library Conduct.
- Users must comply with New York State's applicable laws regarding Cyber Bullying.
- Users understand that while using the Internet they have access to a wide variety of materials, some of which may be inaccurate or outdated and that he or she uses it at their own risk.
- Users understand that the Library makes no warranties, expressed or implied, that the functions of or content accessed through the Westbury Library's computers, Internet connections or computer resources will meet the user's specific requirements, or that it will be error-free, trouble-free, current, uninterrupted, not viewed by third-parties or be virus/spyware/malware free.
- The user further understands that the Library reserves the right to remove the privileges of anyone who tampers with or damages equipment or programs involved with computers or Internet access, and to charge for damages.
- By allowing children under 18 to possess a library card, parents and guardians are expressly permitting their children to have access to the Internet as an information resource. Parents and guardians who believe that their children cannot responsibly use Internet access are requested to personally monitor their children's Internet use.
- Children's Library computers are for children 6<sup>th</sup> grade and under, with the exception of designated computers which may be used only by adults who are accompanied by children.
- Teen Area computers are for teens in 7<sup>th</sup> through 12<sup>th</sup> grade.
- Computer use by children in the Adult Library is at the discretion of Library staff.
- Use of the Internet and library computers presupposes that this Policy has been read and understood by the user and that the user agrees to abide by them without reservation.
