Spotlight On CHRISTOPHER GRANT

1. What are your duties here at the library? How long have you worked at the library, and what was your first job here?

I am part of the Technology department where I assist patrons with computer and kiosk usage, maintain all computers in the library, and manage A/V equipment for programs. My first job here was in 2014 as a page, where I would shelve books that were returned or misplaced.

2. What is your favorite thing about working at the library?

My favorite thing about working here is that I truly feel connected to my community. Growing up I always would visit here with my parents and truly felt welcomed by the staff of the building. Now being here as a member of the staff I have the opportunity to do the same for the rest of my community.

3. What is something that you learned in the last week?

Something interesting that I've learned about in the last week is that Hippos are actually a super dangerous animal. There is an average of about 500 hippo attacks per year in Africa which is mind boggling to me. The more you know...

4. Lighting-Round Questions:

- a. Fiction or Non-fiction? Fiction, Mainly Graphic Novels
- b. Horror or Comedy? Comedy
- c. Ebook or Hardbook? Ebook
- d. Marvel or DC? Marvel
- e. Vanilla or Chocolate? Both
- f. Zoom or In-House? Zoom
- g. Adult or YA? Adult
