Our MISSION

To provide excellent, proactive service to fulfill the informational, educational and recreational needs of the community. The Library will:

- Celebrate the joy of learning, reading, the arts, local culture and history.
- Create a comfortable, welcoming atmosphere that supports freedom.
- Sustain a future-focus in response to technological change.

The Children's Building's 100th Anniversary (E. Johnson, Asst. Dir.)

As we reflect on the past century, we acknowledge the myriad of changes that have shaped our world. Yet amidst this evolution, one constant stands tall: the Westbury Children's Building remains an enduring pillar of our community. From its sturdy brick exterior to the cherished mantle gracing the fireplace—a testament to our ethos of "Cherchez la ligne du beau" (*Seek the Line of the Beautiful*)—our Children's Building stands as a resilient symbol, echoing the spirit of our patrons, staff, and community.

On June 24th, 1924, the doors of our beloved library were first opened by the Bacon family, embodying Martha Bacon's vision to ignite and nurture grand ambitions. Through the decades, countless individuals have walked through these doors, finding solace, inspiration, and knowledge within our walls. Many of our patrons have gone on to achieve great success, their journeys enriched by the safe, welcoming embrace of our institution.

While Martha Bacon initially dedicated this space to children, it has evolved to become so much more—a cornerstone of our community's fabric. Recently, one of our own patrons chose to mark a significant moment within these walls, proposing to his beloved amidst the shelves of our Children's Building. Their love story, woven within the pages of our library, epitomizes the profound impact this space holds in the lives of our patrons.

As we celebrate our 100th milestone, let us not only commemorate the passage of time but also reaffirm our commitment to fostering the joy of learning, reading, and cultural exploration. Let us cherish the arts, local heritage, and the vibrant tapestry of our community's history. Above all, let us remember our enduring mission: to provide a haven of intellectual freedom, embracing the winds of technological change with a steadfast focus on the future.

Happy 100th anniversary to the Westbury Children's Library, and heartfelt gratitude to our patrons and community members who have made this journey possible. Together, let us continue to illuminate minds, ignite passions, and build a brighter tomorrow.

When I have free time, I like to work in my garden. I love to work in my garden and attend to the plants.

What is your favorite thing about working at the Library?

My favorite thing about working at the library would be meeting many different people from different cultures. Additionally, I enjoy seeing the little ones come to the Children's Library, who are enthusiastic about the different programs that are offered. This makes me very happy.

What's your favorite indoor/outdoor activity?

My favorite indoor/outdoor activity is to cook. I love Haitian and Italian cuisine.

If you could be any fictional character, who would you choose?

If I could be any fictional character, I would pick the Lion King, because of the strong family bond expressed in that movie. Family is very important to me.

If you could meet anyone, living or dead, who would you meet?

I would like to meet Maddy Fishman, a wonderful woman who passed away. I was her handyman, but from handyman I became the son that she never had.
